

Annual Clearance Sale

The business at the Canyon City Supply Company store has had a steady increase from year to year but the increase in business this season has been unprecedentedly great, which fact alone is conclusive evidence to the thoughtful that the intelligent public, in their diligent search for a store where they can stretch the purchasing power of their dollars the farthest have turned to this BIG STORE as the place where they KNOW that they receive the greatest value for the least amount of money.

For this increase of business we thank the buying public. It is customary, however, with the management to "clean up" the stock each year and to do this cleaning when the goods offered will be of service to the purchasers. We have, therefore, decided to give a two weeks' special sale on all goods in our large store

Beginning Saturday, November the 28th

at which time reductions in prices will take place in all departments. The store is flush with fresh, new goods at radical reductions. Stocks are swelled with special purchases and offerings are spiced with astonishingly low prices. In fact we have a wonderful gathering of merchandise at surprisingly low prices. Just scan the offerings listed below; none like them offered elsewhere--are there? A visit will reveal many times as many more, equally as good, fully as desirable and just as wonderful. Better plan an early visit as the stock will move rapidly. This sale

Ending Saturday, December the 12th

Let us get down to hard headed business--bargain facts, shopping advantages, sale offerings. Prepare yourself for the cold weather that is surely coming, and above everything else come early before the stock is broken so that you can get your choice. You'll have to have them--there's no getting around it, and NOW is the time to supply your needs and HERE is the place.

THIS IS A CASH SALE. Everything Charged will be sold at Regular Prices of the goods.
